Gandhi International Institute for Peace

“Nonviolence is an active force
of the highest order.”

Hawaii's Governor, David Y. Ige signed
a bill SB332 into Act 5 on April 10, 2015
and declared 'October 2' as "Mahatma
Gandhi Day" in Hawaii.

Our Vision

As an institute for peace, we stress the need for Nonviolence, Tolerance, Fundamental human rights, Advocacy of democracy, Mutual understanding, and respect for diversity.

Our work promotes long-term transformation of ourselves and the world.

“I believe that true democracy can only be an outcome of nonviolence.

The structure of a world federation can be raised only on a foundation of nonviolence and violence will have to be totally given up in world affairs.”

“You must be the change, you wish to see in the world”
